Dear Reggie,

Happy Easter, I hope you had a wonderful day on this rainy day.

A few things.

- 1) I want to thank you for making me feel so comfortable the other day as I was quite nervous and have been extremely nervous about all this. It was easy to speak with you and I appreciated it.
- 2) I really thought about who you could talk to and this is who I came up with as a definite.
- 3) Bozena Sutowski
- 4) Keith Turner
- 5) Jesse Kilpatrick

Now the three named above are managers of the hospital and are well aware of what is going on and are really fed up, I know they would love to speak with you and again on the begging of my boss please keep up a fast pace on this. (It's only getting worse down here on a daily basis)

There is one more, his name is Ahaji Majeed, he had never said a word to me, or I to him regarding this matter however I think if you called him up there and told him about the laws of confidentiality, he might open up. I have been told from others he is very unhappy.

I can be of any other assistance please don't hesitate to ask.
